The Animal Wellness & Care Plan (AWAC) was established to reinforce the Indiana State Fair's strong value and belief in the proper treatment of all animals in exhibition. The Indiana State Fair holds exhibitors of the various species of animals being exhibited to the highest standards in wellness, care and ethics of exhibition. The AWAC is responsible for ensuring the most up to date standards as well as to be a source for the public to seek answers to their questions relating to the health and safety of the animals involved in the Indiana State Fair.

Biosecurity

The Indiana State Fair Biosecurity Plan was developed to prevent the outbreak of diseases carried by both animals and humans that spread pathogens that can be transmitted to and from farm animals, as well as through the food supply. Many of these diseases and pathogens can be prevented through maintaining the cleanliness of facilities and encouraging good hygiene. The Biosecurity Plan will be enforced during the Indiana State Fair and all exhibitors are required to comply with it.

**All exhibitors must be familiar with and abide by the terms and conditions of the Indiana State Fair.
Failure to do so may result in loss of the privilege to exhibit at the State Fair and/or ejection from the Fairgrounds.**

The Indiana State Fair Board is committed to providing opportunities for all 4-H participants to show their animals as part of the State Fair. The Fair Board also wants to ensure the integrity of its 4-H competitions as is evidenced by the various terms and conditions set forth in this Premium Book, including its policy with respect to testing for unauthorized substances in certain animals that are entered into these competitions and the strict penalties associated with positive results. Indiana exhibitors of horses, poultry, llamas and alpacas as well as out of state exhibitors will be requested to voluntarily provide Premises ID numbers. Substitute showmen **must** be approved in writing by the 4-H show manager 24 hours prior to the showing of the animal(s) needing a substitute showman. Requests will only be granted for medical emergencies, conflicts with showing other animals, or circumstances deemed unavoidable by the 4-H show manager. Failure to be excused from a job and/or participation in a sporting event or sports practice will not result in a substitute showman being granted.

SUPREME 4-H LIVESTOCK SHOWMANSHIP

64. The exhibitors for beef, sheep and swine species will be selected by the judges during the Grand Drive for participation in the ISF Celebration of Champions.
66. Should a champion animal become ill or be determined to be unsound and unable to participate in the Grand Drive, the reserve animal of that breed would represent the breed. The Department Superintendent would inform the judge of the situation prior to judging the Grand Champion. The reserve breed champion from the same breed as the Grand Champion is eligible to be selected for the ISF Celebration of Champions.
67. Exhibits selected for the ISF Celebration of Champions must be market animals or commodities produced for commercial use and/or consumption. If an item or animal selected for the ISF Celebration of Champions is voluntarily withdrawn, the item or animal is not eligible to receive an award and forfeits all honors and premiums awarded by the Indiana State Fair.

70. Monetary awards will not be issued until all test results are complete.

INDIANA STATE FAIR CELEBRATION OF CHAMPIONS

71. The Indiana State Fair and State 4-H officials require all animals selected for the Indiana State Fair Celebration of Champions to be harvested. The Awards Committee reserves the right to eliminate any 4-H animals from the ISF Celebration of Champions which it deems to not be in the best interest by the Indiana State Fair.
72. The Indiana State Fair Celebration of Champions Award total monetary amount includes premiums, accomplishment award, and market value price. Total monetary award amount is based on a formula. Awards will not be given to exhibitors until drug testing results are complete. This includes monetary and non-monetary awards.
73. No single exhibitor shall be awarded more than one award. If a 4-H member has more than one (1) item selected for the ISF Celebration of Champions, they must notify the Livestock Manager by 10 pm on Monday, August 10, and let them know which one item they wish to receive an award. The animal the 4-H member chooses not to receive an award; award will be replaced by the next placing animal from the same species, which was selected during the Grand Drive.

INDIANA 4-H PROGRAM PHILOSOPHY:

The Indiana 4-H program serves the youth of Indiana by providing a strong educational youth development program. This program delivers educational experiences in a variety of settings. Caring, capable, and contributing adults assist in the 4-H program as role models for youth. The rich heritage of the 4-H program is one to be valued and passed along to future generations. This document sets out certain standards and guidelines to assure that 4-H is a positive youth development program. County 4-H policy is guided by the county 4-H policy-making or governing board (i.e., 4-H council) as provided by the County Extension Board. Legal authority for the 4-H program rests with the Director of Cooperative Extension, Purdue University. No county 4-H policy may conflict with state 4-H policy or federal requirements. Deadlines for county and state participation should be carefully constructed so as to encourage rather than to discourage participation. Such deadlines should be well published. Members not complying with established and published dates and deadlines for exhibition may be denied the opportunity to exhibit. It is the policy of 4-H to be an inclusive organization. No county policy or practice should be used to arbitrarily exclude youth from either membership or participation. Youth should participate in 4-H Youth Development opportunities at levels and times that best suit the youth's development and support family involvement.

4-H MEMBERSHIP:

Youth may become 4-H members when they enter the third grade and may continue their membership through the completion of grade 12. Each individual may continue membership for a maximum of ten (10) consecutive years. An individual's 4-H grade is determined by their grade in school, regardless of the time of year he or she enrolls in 4-H. A member does not advance in 4-H grade until he or she enrolls in 4-H for the subsequent school year. Each member should enroll in the division of a project that would best suit his/her interest and potential for personal growth and would enhance their family involvement. Opportunities in the 4-H Program are available to all Indiana Youth regardless of race, religion, color, sex, national origin, marital status, sexual orientation or disability. Membership in 4-H is gained by annually enrolling through a Purdue University Cooperative Extension Service Office, located in each of Indiana's 92 counties. The 4-H club year usually extends from one (1) annual 4-H exhibit to the next. Enrollment is an annual process attained by completing an appropriate county 4-H enrollment process.

COMPLETION:

The completion of a 4-H project must not be misinterpreted as exhibition of said project at a local, county or state fair. 4-H members are considered complete in their project work for that year when they have: 1) completed an "official" 4-H member enrollment process prior to the established and published date for enrolling 2) turned in a completed 4-H project record sheet prior to the established and published date and 3) had an officially recognized 4-H leader/extension educator verify existence of the completed project. Though exhibiting in local/county and state exhibits/fairs is not required for project completion, as it does not necessarily relate directly to content and skills learned in the development of the 4-H project, project exhibition is encouraged as a continuation of the educational experience. Extension employees and volunteers are obligated to eliminate (and should not create) any practices that limit, deprive, or tend to deprive any youth of opportunities for membership and/or participation in the Indiana 4-H program.

EXHIBITION AT THE INDIANA STATE FAIR:

Exhibition of 4-H projects in local, county or state exhibits/fairs is considered a privilege and is voluntary on the part of the exhibitor. The exhibition of 4-H projects provides 4-H members an opportunity to display their 4-H projects, enter into competition and participate in an educational/social environment with their peers. With exhibition also comes the responsibility for abiding by all of the terms and conditions pertaining to the respective 4-H project. Not following the established terms and conditions of the projects will be grounds for exclusion from the competition/exhibition or the project itself.

1. An exhibit may not be entered in more than one State Fair 4-H class except in some animal classes where designated. In a State Fair class requiring more than one item, all items must be exhibited by the same 4-H member. All parts of an exhibit made in one class must belong to one 4-H member.
2. All 4-H exhibits at the State Fair must be prepared during the current 4-H year. Eligibility rests solely with the State 4-H Youth Program Leader on entries in all 4-H classes.
3. Any 4-H exhibit removed from display prior to the official release will be disqualified. Any 4-H placings/prizes (including ribbons, money, medals, trophies, etc.) awarded that exhibit will be forfeited.
4. 4-H exhibitors having an entry in animal classes at State Fair are expected to show their own animals. In cases where this cannot be done, the owner may request another Indiana 4-H member to serve as a substitute showman. Substitute showmen must be approved in writing by the 4-H show manager, 24 hours prior to showing of the animal(s) needing a substitute showman. Requests will only be granted for medical emergencies, conflicts with showing other animals, or circumstances deemed unavoidable by the 4-H show manager. Failure to be excused from a job and/or participation in a band or sporting event or practice will not result in a substitute showman being granted.

4-H ANIMAL OWNERSHIP, POSSESSION AND EXHIBITION:

Each 4-H member shall own his/her own 4-H exhibit. Ownership must be in effect on or before the county and state enrollment deadlines and continuously until after the 4-H show at the County and/or State Fair.

1. For 4-H breeding animals, family corporations and/or partnerships of 4-H members with one or more parents, siblings, grandparents, aunts, uncles, or legal guardians are acceptable.
2. For 4-H dairy cattle, family corporations and/or partnerships of the 4-H member with unrelated persons or dairy operations are also acceptable.
3. Dairy heifers, horses, ponies, alpacas and llamas may be leased subject to approval of both the county 4-H dairy, horse and pony, or llama/alpaca committee and the respective County Extension Educator.
4. 4-H animals are expected to be in the personal possession and regular care of the 4-H member who owns/leases them (unless other arrangements have been agreed upon by the County 4-H Council) from the animal enrollment deadline until the conclusion of the County and/or State Fair.
5. 4-H animals purchased, sold or offered for sale after the enrollment deadline and prior to the Indiana State Fair **(including animals that have gone through a "Premium Only Auction")**, shall not be eligible to show in the 4-H show at the Indiana State Fair. Sale of products of animals (milk, cheese, wool, etc.) in lieu of the animal, is considered equivalent to a "Premium Only Auction."
6. 4-H animals exhibited after the animal enrollment deadline (April 1 for steers, and May 15 for all other animals) at any show by anyone other than the 4-H member that enrolled them will not be eligible to be shown in the 4-H show at the Indiana State Fair. This term/condition does not apply to sibling and parents, who may show each other's animals at any show during the year without jeopardizing State Fair eligibility. This policy applies to all 4-H animal projects. For animal projects without statewide enrollment requirements, the person who enters them in the Indiana State Fair 4-H show is the equivalent of the enroller of the animals.
7. 4-H members showing registered beef, Boer goats, dairy, dairy goats, sheep and swine must present a registration certificate (no photocopies, carbons or fax copies, except a fax directly from the national breed association to the Indiana State Fair) to the 4-H show manager before the specified time for each specie, showing that the exhibitor owns the animal being exhibited, as per ownership terms, on or before the May 15th enrollment deadline and continuously until 4-H show day at the Indiana State Fair. 4-H breeding beef, Boer goats, dairy goats, sheep and swine must be registered in one of the following ownership methods:
 - a. in the 4-H members' name; b. John Smith and Sons; c. John Smith, Sons and Daughters; d. John Smith and Family (family includes sons, daughters, and legal guardian youth only); e. Mark Smith (brother) and Mary Smith (sister); f. Family corporations, where the 4-H members' name appears as a holder of stock in the corporation, and proof of same must be supplied on or before the enrollment date; g. Family partnership where the 4-H members father, mother, brother, sister, aunt, uncle, grandparent, and/or legal guardian is also in the family partnership and the 4-H member's name appears on the legal, notarized partnership. A copy of the written document must be attached to the enrollment form before the enrollment deadline.
8. 4-H breeding beef, Boer goats, dairy goats, sheep and swine will NOT be accepted in the State Fair 4-H Show if they are registered in a father's name only, farm name only, or partnerships with unrelated persons (such as "Smith View", "Smith Oak", "John Doe and William Smith (4-H member)", "Long Oak and William Smith (4-H Member)", etc.).

BEHAVIORAL CRITERIA:

There are many opportunities for 4-H members, volunteers, parents and the public to participate in 4-H events and activities. When involved in such experiences; members, volunteers, parents and the public are expected to follow all terms and conditions/rules and regulations as outlined by those responsible for the specific program or activity. When attending, participating or acting on behalf of the 4-H program, all persons are expected to conduct themselves in accordance with accepted standards of social behavior, respect the rights of others, and refrain from any conduct which may be injurious to the 4-H program. The following actions constitute misconduct for which persons may be subject to disciplinary penalties and/or dismissal from the program:

1. Dishonesty in connection with any 4-H activity by cheating or knowingly furnishing false information.
